

REMARKS/ARGUMENTS

The present Amendment is in response to the Office Action having a mailing date of November 16, 2004. Claims 1-21 are pending in the present Application. Applicant has amended claim 15. Applicant has also canceled claims 1-14 and 16-21. Consequently, claim 15 remains pending in the present Application.

In the above-identified Office Action, the Examiner indicated that claims 15 would be allowable if rewritten in independent form incorporating the limitations of the base claim and any intervening claim. Applicant gratefully appreciates the Examiner's indication that claim 15 contains allowable subject matter.

Applicant has amended claim 15 to incorporate the limitations of the base claim (independent claim 12) and any intervening claim (none). Accordingly, Applicant respectfully submits that no new matter is added. Applicant further submits that claim 15 is allowable as currently presented.

Applicant's attorney believes that this application is in condition for allowance. Should any unresolved issues remain, Examiner is invited to call Applicant's attorney at the telephone number indicated below.

Respectfully submitted,
